

**BECOME A SPONSOR, PROMOTE YOUR BUSINESS, AND HELP MAINTAIN YOUR COMMUNITY WEBSITE!**

The Prince Henry at Little Bay community website and newsletter are owned and operated by the Prince Henry at Little Bay Community Association DP 270427. Website funding is subsidised by sponsors, who generally comprise local businesses wishing to engage with the community.

The website was created as an information portal for owners and residents. Since going live in November 2012, the subscriber base has grown exponentially and is still growing.

The website and newsletter audience comprises, in the main, Prince Henry owners and residents, managing agents of Prince Henry’s various apartment blocks and neighbourhood associations, local politicians and government departments,

neighbouring businesses and other interested parties.

Newsletters are emailed regularly to subscribers as important and interesting issues occur. Readers may subscribe at any time to receive newsletters direct to their inboxes by completing the subscription form at the foot of the [Home page](#). Previous newsletters can be viewed on the [Community news web page](#).

The following schedule contains a list of sponsorship benefits. For \$902 a year (incl GST), your business will enjoy these benefits while supporting the website. Sponsors may update information at any time during their sponsorship term.

	<b>SPONSORSHIP</b> \$902 a year incl GST
